These documents were obtained in a letter dated March 31, 1998, from a defendant in a patent infringement action brought by assignee, Hybrid Networks, Inc. The action is Hybrid Networks, Inc., Plaintiff v. COM21, Inc. and Celestica, Inc., Defendants, Civil No. 98-00831 RMW in the U.S. District Court for the Northern District of California. The Action currently involves three patents: U.S. Patent No. 5,586,121, which issued from a parent application of the instant application; U.S. Patent No. 5,347,304; and Reissue Patent RE 35,774.

A copy of each of these documents was submitted in an Information Disclosure Statement filed May 22, 1998 in assignee's U.S. Application Serial No. 08/700,988.<sup>1</sup> Application Serial

<sup>1</sup> A copy of each of these documents was also submitted in an Information Disclosure Statement filed May 22, 1998 in assignee's U.S. Application Serial No. 08/703,767.

No. 08/700,988 was assigned to the Examiners of the instant application. Both Application Serial No. 08/700,988 and the instant application rely on assignee's Application No. 08/426,920 for an earlier filing dated under 35 U.S.C. § 120.

Applicants have not determined whether these cited documents might be relevant to the claimed invention of the instant application. This citation is not a representation that a search has been made or that no better art exists. This citation is not an admission that any of these documents describe prior art.

If there are any fees required for consideration of this citation that are not enclosed, please charge such fees to the Farkas & Manelli, PLLC Deposit Account No. 06-0115.
